by the growth of large scale industries and weaving mills in the country and the abolition of octroi duty on yarn may be of some assistance to the weavers who generally belong to the poorer classes. In this view the proposal in question may perhaps be sanctioned

Submitted for orders

From 3 it will be seen from the Dy Cs report of 9/9/41 that the levy of duty on yarn at Re 1/9/- per cent ad valorem is in force from 1 4 41 & the income derived therefrom is Rs 350 (approx) in the Kolar Town Mty from this source

4 On the representation of the weavers and the Municipalities affected by this levy, the Kolar Town Mty have resolved to abolish this levy with effect from 1 7 1941. It is not known whether this resolution has been given effect to already

5 As the resolution in question would give some relief to an industrial class of people who are badly in need of it especially at this juncture, it may be sanctioned

Sir Amin-ul Mulk Mirza M. Ismail, B.A.,

Dewan of Mysore

Respected Sir,

We the weavers of Kolar town and adjacent villages submit the following few lines to your kind consideration and favourable orders -

The Kolar Town Municipality has decided to levy a tax of on yarns with effect from 1-4-40 at Rs 1-8-0 per Rs 100/- worth of yarn So, the yarn merchants of Kolar would increase the rates on yarn We have to purchase the yarn from Kolar merchants as we cannot go out side the town for the purchases but the rates of finished products remains as usual, because the weavers of other places will come into Kolar to sell their products at the usual rates as there is no such tax in other Municipalities

Hitherto, we were getting poor wages Now by the increase of yarn rates we will get much lower rates (wages) than what we have been getting By this, we will be put to a great loss and trouble and it will be very difficult for us to maintain out families By this, we wll be be forced to give up this work

You have been trying your best to up-lift the weavers in the State in various capacities

So,

Subject - Abolition of Octroi duty on Yarn in the Kolar Town Municipality

Adverting to your Official Memorandum No L 4491/M1 92-40-47 dated 10th December 1940 forwarding for report two petitions presented to the Second Member of Council during his tour in the Kolar District in October last by certain weavers and Adikarnatakas praying for the abolition of Octroi duty now being levied on yarn in the Kolar Town Municipality, I have the horour to retransmit, herewith, the petitions in question together with other records relating to the subject and to state as follows -

The levy of Octroi duty at the rate of Re 1-9-0 per cent ad valorem on yarn, silk, cotton, spun or artificial silk in the Kolar Town Municipality was sanctioned by Government in their order No I 6862-4/M1 85-39-56 dated 3rd February 1940 and this has been given effect to from 1st April 1940 The Municipality is reported to be deriving an income of about Rs 350/- per year under this head

Since the introduction of this levy, a series of petitions has been received both from the yarn merchants and from the weavers of Kolar Town and its moffussils protesting against this levy and praying for its immediate abolition The merchants urge that their trade is adversely affected on account of this levy since there is a Government Depot for the supply of yarn to the weavers and the yarn imported through the agency of this Government Depot is exempted from the levy of Octroi as per standing Orders of Government The weavers and some of the Adikarnatakas engaged in handloom industry urge that this levy has hit them very hard as they will have to pay it from out of their meagre earnings Endorsements were issued twice, on 23rd March 1940 and 11th

April

April 1940, to the petitioners, that as Covernment had sanctioned the levy nothing could be done in the matter Subsequently two petitions were presented to the Second Member of Council in October 1940 as stated in para 1 above These two petitions were forwarded to the President, Town Municipal Council, Kolar, for a report The yarn merchants having again presented a petition to the Municipal Council on 15th April 1941, the Municipal Council have resolved at their meeting held on 26th June 1941 that octroi duty on yarn may be abolished with effect from 1st July 1941 The President of the Municipality requests that sanction of Covernment may be obtained to this resolution

It is ascertained that the levy of Octroi duty on yarn is not in force in any other Municipality in the State except Doddaballapur and the prayer of the merchants and weavers for the abolition of this duty in the Kolar Town Municipality deserves to be favourably considered I, therefore, request that sanction of Covernment may be kindly obtained to the abolition of the duty as resolved by the Municipal Council

A copy of the resolution and the several petitions received in this Office in this connection are enclosed in the records for reference

I have the horour to be,

Sir

Adverting to G O No L 3013-15/M1 92-40-102 dated 13/10/1941, directing the abolition of the levy of octroi duty on yarn in the Kolar Town Municipality with effect from 1/7/1941, I have the honour to state that the President, Town Municipal Council, Kolar reports that it is found very difficult to give effect to the Government Order from 1/7/1941, as this means the refund of the duty recovered from several persons during the four months since 1/7/1941 and therefore requests permission to give effect to the Government Order from 1/11/1941

There are practical difficulties in refunding the amounts recovered from several persons in respect of several kinds of yarn, such as Cotton, Silk, Artificial Silk, etc , and in the interests of the finances of the Municipality also it is not advisable to do so I, therefore request that sanction of Government may be kindly obtained to abolish the duty eith effect from 1/11/1941, instead of from 1/7/41, as previously ordered The favour of early orders is solicited
